9. **CONSEQUENCES OF EXPIRY OR TERMINATION**

9.1 Following the Termination Date:

9.1.1 the following provisions will continue in force: **clauses 1, 5, 6, 7, 9, 14** together with any other provisions which expressly or impliedly continue to have effect after expiry or termination of this EULA; and

9.1.2 all other rights and obligations will immediately cease (including, without limitation, the licences granted in **clause 2**) without prejudice to any rights, obligations, claims (including claims for damages for breach) and liabilities which have accrued prior to the Termination Date.

9.2 Within 30 days after the Termination Date:

9.2.1 the Licensee will delete or return to the Licensor all copies of the Software and of the Documentation in its possession or control, whether those copies are authorised or unauthorised; and

10. **SEVERANCE**

13. **WAIVER**

A delay in exercising or failure to exercise a right or remedy under or in connection with this EULA will not constitute a waiver of, or prevent or restrict future exercise of, that or

any other right or remedy, nor will the single or partial exercise of a right or remedy prevent or restrict the further exercise of that or any other right or remedy. A waiver of any right, remedy, breach or default will only be valid if it is in writing and signed by the party giving it and only in the circumstances and for the purpose for which it was given and will not constitute a waiver of any other right, remedy, breach or default.

14. **GOVERNING LAW AND JURISDICTION**

14.1 This EULA and any non-contractual obligations arising out of or in connection with it will be governed by the laws of Germany. The United Nations convention on contracts for the international sale of goods shall not apply.
